1. Licola Tree Planting Day.

About 20 people attended the tree planting day near Licola recently. About 1200 seedlings were planted. Lunch was supplied. Representatives of ATF, SFFC and WGCMA attended with employees of the landowner also present. Matt from WGCMA advised that the access ladder has now been installed at Stony Creek for fishermen to be able to access the river without damaging the fence or trespassing on the surrounding property. Property employees advised those attending to stay on the river edges if fishing and not to walk across the property.

2. Licola Club Trip.
