General Business:

1. Discussion held on fish stocking statistics sent through by Taylor Hunt from VFA. Club members still believe the sampling methods / times are flawed and give incorrect data for the reports. Members witnessed electro-fishing being used in areas where no trout would normally congregate. Members would welcome an invite to participate in the surveys at correct times and places.
2. Positive comments discussed on article received from Ray Throup regarding fly fishing for Bass. Nice job Throupy.
3. Members decided that the fly boxes donated to the club would be raffled at our Annual Dinner this year.

Fishing reports:

Dean Cousin – Barkly River – no fish.

Neil Morrison – Avon River-47cm Bass.
Barkly River. No fish.

Stewie / Rick – Tumut River. Rick landed 5 fish.

Rob Allen – Hume at Tallangatta. No fish.

Meeting closed 8:35PM.
