General Business:

1. Neil and Pete Murray attended a "Teams" meeting online recently regarding the proposed VFA Fish Stocking proposals. The proposal to stock 10,000 Bass in the Macalister River near Licola was discussed and the club's objections raised. Objections were based on the water not being traditional bass habitat. The stocking of Lake Guthridge with trout for the school holidays was also discussed as the water quality is very poor. Secretary to contact Mark at VFA to discuss next meeting's agenda.
2. Possible Club Trip to Pambula in July discussed again. Still depends if salmon show up in numbers this year. Tentative date of first weekend in August for club trip. 1st to 3rd August. Max has advised the Salmon are in but not feeding yet.
3. SFFC Domain Name. Ray Clissold has changed the holders of our domain name for our club as the fees have gone up from \$80 to \$178 this year.

Fishing reports:
